National Engineers Week Annual Banquet

Featuring SAE Collegiate Chapter Project Presentation Competition

Please join us as we observe “National Engineers Week” with a banquet and technical program featuring presentations by students from Central Michigan University, Kettering University, Saginaw Valley State University, Michigan State University, and University of Michigan-Flint . Presentations from AutoDrive Challenge, Baja SAE, Formula SAE, SAE Aero Design, and SAE Clean Snowmobile Challenge Teams will be featured. These students are members of SAE Collegiate Chapter project teams which compete in the SAE Collegiate Design Series <http://students.sae.org/cds/>

The design series has grown from a national competition to an international competition featuring students from Asia, Europe, North and South America.

During this year’s banquet, the teams present will compete for the annual “SAE Collegiate Cup” presented by the Mid-Michigan Section. This event’s competition will be judged based upon the quality of the oral presentation of the team’s “Design Series” project.

**Kettering University – SAE AutoDrive Challenge Team
2021 Cup winners**

Reservations required by Noon Friday, Feb.18, 2022
Purchase Tickets online at: <http://www.midmichigansae.org/#buyticket>
Contact: Steve Davis at Steve.Davis@midmichigansae.org
or call (517)-258-1456 for reservations

Though venue meal costs have increased this year the Mid-Michigan Section is keeping ticket pricing at 2019 levels as we understand the impact the current inflation has on everyone.
